What if there were a pill that could help prevent HIV?

The Ready, Set, PrEP program makes PrEP medications available at no cost for people who qualify.

How can I enroll in the Ready, Set, PrEP program?
To receive PrEP medication through the Ready, Set, PrEP program, you must:

- Test negative for HIV
- Have a valid prescription from your healthcare provider
- Not have insurance that covers prescription drugs

Where can I learn more and apply for the program?
Find out if PrEP medication is right for you. Talk to your healthcare professional or find a provider at locator.hiv.gov.
